Access Statement for Catton Old Hall B&B

Introduction

Situated on the outskirts of Norwich in the suburban village of Catton, Catton Old Hall Bed & Breakfast is a Grade II listed building just 2.5 miles from the city centre. It is the perfect place for romantic stays, city breaks with easy access to the countryside and Norfolk Broads and the North Norfolk coast. We are a 40 minute walk to the city centre or a few steps away from the house is a bus stop which has regular buses running into the heart of the city (weekdays and Saturdays every 15 minutes).

We offer 7 en suite rooms, with 2 standard double/twin rooms located on the second floor, 4 double superior rooms located on the first floor and one four poster room also located on the first floor.

As our home is nearly 400 years old there are some period features which make access difficult for those with limited mobility. The house is not suitable for wheelchair users. Access to some rooms is via the original 17th century stairs which are steep and uneven. We have no ground floor rooms and those with mobility problems may have difficulty negotiating some of the stairs. We have no lift. The rooms with the easiest access are the Sir Edward Berry and the St Margaret rooms but both are on the 1st floor.

For breakfast, wherever possible, we use quality locally sourced ingredients with fish and vegetarian options if ordered in advance.

We look forward to welcoming you. If you have any queries or require any assistance please phone 01603 419379 or email enquiries@catton-hall.co.uk.
